Let's Ride!

Oath Keepers and patriots,

Oath Keepers will have volunteer security teams in Washington DC this Saturday, December 12, 2020, to provide volunteer escorts for rally attendees as they walk back to their hotels, vehicles, or to the Metro stations, as we have done many times in the past at Trump rallies across the nation.

There are several events occurring in DC on Saturday, beginning at 9:30 am, and we will be assisting with PSD teams for particular speakers and whistleblowers, and with watching over the attendees of the days events as they walk to and from each event. All of the events are fantastic, but we especially look forward to the the simultaneous Jericho March events around the Supreme Court, U.S. Capitol, and Department of Justice, with patriot pastors leading the way in praying for our nation (one of the patriot pastor organizers is a member of Oath Keepers).

We will be there all day but our special focus will be on tasking teams of volunteers to escort rally attendees AFTER the rally ends, because that is when Antifa and other radical leftists like to attack vulnerable individuals and families as they leave events. That is their M.O. To counter that threat, we will put out teams of security escorts who will be both open (wearing Oath Keepers gear) or covert, so leftist terrorists cannot be sure of our numbers or whether they are under our direct observation as they look for vulnerable patriots to attack. We always use a mix of overt and covert, but that is especially important in such instances.

We are still accepting security volunteers! To volunteer, email us at: **dcvolunteers@oathkeepers.org**

If you can't make it yourself, please donate to support those who can. Every little bit helps, as we provide our unpaid volunteers with travel expenses, food, lodging, and equipment. To donate, go here:

DONATE

VOLUNTEERS: When you Emil us at dcvolunteers@oathkeepers.org, please include your full name, phone number, and state of residence, as well as a brief statement of your training and experience. Feel free to include any documentation you want. Please also include links to your social media accounts. We especially need LEO and military veterans with pertinent backgrounds for security (combat arms veterans, for example), or civilian equivalents. One of the strengths of Oath Keepers is our high percentage of current serving or retired LEOs who have LEOSA nation-wide concealed carry. The leftist terrorists know our police go armed, and they don't know which among the Oath Keepers they are looking at are police. We always mix in our police with our military members.

We can also can use patriots with sufficient martial arts training to make them effective protectors, even if they are not prior service. We also need EMS, communications, and those trained in intel. If in doubt, apply and we will see if we can use you for this op. We will find something for you to do, if you are willing to help (we can also use some folks for outreach efforts during the day).

You DO NOT have to be a member of Oath Keepers to volunteer – just a cool headed, capable patriot. We also welcome the participation of other patriot groups, as we have a long history of working side by side in a very effective manner with biker clubs, Three Percenters, and other veteran orgs. Our only bright line requirements are (as stated in our bylaws) no felons, no white nationalists (or other racists), no communists (you have to support the U.S. Constitution) and that you be cool, calm under pressure, and capable. You will be carefully vetted.

NOW IS THE TIME TO STAND UP!

It is CRITICAL that those of us who have the backgrounds, training, and experience to protect others – and especially all of us military and police veterans – step up NOW when our nation needs us most. Now is the time. Every patriot should be in DC, but if you can't make it there, as the next best thing you should be in your state capitol laying down the gauntlet to let your public servants know that you will not accept a fraudulent Chicom puppet in the White House and you expect them to stand up and stand firm in fighting to stop the steal right next to you.

And that is especially so in the swing states, such as GA, AZ, MI, PA, WI, NV. Those states are most important, and if you live in one of those critical states, but can't make it to DC, then you nee to be at your state capitol this Saturday sending the same message – stand tall, and defeat the coup/insurrection/steal. And you protectors need to be there to protect those who are standing up – protecting attendees, but also pledging to protect any and all patriot legislators, whistleblowers, election officials, etc – anyone who is standing up. Go to the above link to the Jericho March, and look for a march in your state capitol.

If you don't live in one of the crucial swing states, you likely live in one of the many states that are now joining in on the case filed before the Supreme Court by Texas, or in a state that has not yet joined, but SHOULD join in on that case. It is critical that you also step up and let your Attorney General, Governor, and state reps know you expect them to fight tooth and nail for your rights. You need to be in the streets!

President Trump needs to know he has the support of many millions of Americans, all across this nation, in every state, and the patriots who go into the streets to stand up in support of him need to know they have the support of those of us who are capable defenders. The leftist terrorists want people to be afraid to go to rallies, protests, or any form of public civic engagement in support of our rights. Those of us with the training and backgrounds to be defenders have a duty to defend them, everywhere and anywhere our fellow citizens are standing up.

Anyone who tells you that you shouldn't go and defend patriots who are standing up is flat wrong. Do NOT take counsel of your fears or the fears of any other. The greater your training and experience, the greater your duty to stand in the breach.

☐ *"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." 2 Timothy 1:7*

Now is the time. Any notion of laying low, for now, to save your strength for some future fight, is sadly mistaken. We need millions of Americans in every state capitol and in the US capitol, every weekend, coming together to stand up, and to join the growing momentum of patriots, such as the patriot pastors of the Jericho March initiative, in praying for this nation, and in displaying that spirit of power, of love, and sound minds to call out that "the emperor has no cloths."

Do not give up the fight. As Patrick Henry said long ago:

☐ **Shall we gather strength by irresolution and inaction? Shall we acquire the means of effectual resistance by lying supinely on our backs and hugging the delusive phantom of hope, until our enemies shall have bound us hand and foot? Sir, we are not weak if we make a proper use of those means which the God of nature hath placed in our power. The millions of people, armed in the holy cause of liberty, and in such a country as that which we possess, are invincible by any force which our enemy can send against us. Besides, sir, we shall not fight our battles alone. There is a just God who presides over the destinies of nations, and who will raise up friends to fight our battles for us. The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave.**

Be vigilant, active, and brave. Stand up! Do what Patrick Henry or Sam Adams would do. See you in the streets.

I will be there, and I know at least 100 others who are going. Already USA Today has said 2,000 people will be there. Already lying about crowd numbers before it even begins. Well we don't look to them for validation, we live in the truth.

As far as I know, guns are banned in dc. Period. And will lend you quite the sentence if you're caught in dc with a firearm. Do as you will but don't get caught.

Hey Stewart, I am looking for a general volunteer page, I'm from Idaho so DC is pretty unreasonable for me. Where can I find a place to volunteer generally or link up with people in my area? Thanks Stewart.
